Rats and mice are available as an optional addition. Termites, snakes, and bed bugs are not included unless separately agreed to in writing.

Liability. Pest Pro's liability for damage is limited to damages caused directly by the negligence of the company or its employees.

Service Results. Results depend on the client's cooperation with sanitary conditions, building accessibility, and timely reporting of pest activity. If cooperation is not provided, service may continue but results cannot be guaranteed, and additional service charges may apply.

Indemnification. Pest Pro agrees to indemnify and hold harmless the client, their agents, and employees from any liability, legal costs, or property damage arising from Pest Pro's sole negligence in performing this agreement.

Length of Agreement. This agreement is binding for one (1) year from the date of first service. Pest Pro agrees to provide service at the agreed rate with no price increases during this period. The client agrees to maintain service for a minimum of one year and pay all invoices within 30 days. Either party may cancel with 30 days written notice.
